Special Provision for Mobilization

August 10, 2000

This special provision was originally developed by the Bureau of Construction to facilitate closer tracking of mobilization and demobilization costs of construction projects. The special provision has been revised in order to eliminate confusion for how the last payment will be paid to the Contractor.

The districts should include the BDE Check Sheet with the applicable BDE Special Provisions marked for the November 17, 2000 letting and for subsequent lettings and the Project Development and Implementation Section will include the paper copy in the contract.

This special provision will be transferred through the E-mail System to the district offices on August 10, 2000.
